

**WORLDWIDE COMPETENCE
IN PLASTICS**

agru

● PIPING SYSTEMS

Pipes, fittings, valves and special components are combined to complete piping systems for the following applications:

● AGRULINE - GAS & WATER

Leak-proof piping systems for gas and water supply as well as sewage disposal.

● INDUSTRIAL

Available also in large dimensions, made of various plastics for aggressive and acidic media.

● PURAD - HIGH PURITY

Transport of ultra pure water and exhaust air in the semiconductor, pharmaceutical and food industries.

● AGRUSAN + AGRUAIR

Piping systems for sanitation and for compressed air which are used for the potable water supply and sanitary facilities, and for industrial applications, respectively.

AGRU PRODUCTS FOR

WATER AND GAS MANAGEMENT

ENERGY INDUSTRY

CHEMICAL AND
HEAVY INDUSTRY

SEMICONDUCTOR AND
PHARMACEUTICAL INDUSTRY

TANK AND APPARATUS CONSTRUCTION

AIRPLANE AND SHIP BUILDING
INDUSTRY

MINING INDUSTRY

LANDFILL AND HYDRAULIC ENGINEERING

BUILDING CONSTRUCTION AND
UNDERGROUND ENGINEERING

RESPONSIBILITY

We strongly emphasize an environmentally friendly production and recyclable raw material. We offer system solutions with a future for following generations.

APPLICATION ORIENTED

We give priority to industry-specific system solutions for easy, quick and economic processing.

INNOVATION

We believe in realising visions! Our Research & Development facilities put us one step ahead.

SERVICE

We at AGRU offer you competent technical support for the installation, mounting and use of our products.

QUALITY

We use only raw materials of the highest quality.

OUR COMPETENCE

● CONCRETE PROTECTION

AGRUSAFE durable concrete protection against leakage, abrasion and corrosion. Used for cast in-situ, prefabrication and rehabilitation.

● SEMI-FINISHED PRODUCTS

Sheets, round bars and welding rods made of premium resins for tank and apparatus construction.

● LINING SYSTEMS

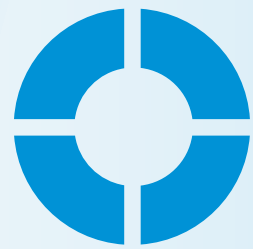

Geomembranes with smooth and structured surfaces for the sealing of landfills, ponds and tunnels. AUSTROPLAN used for roof lining systems and RELAX for pool lining systems.

● AGRU PLANTS
